Class 2 Permissive Change Request

To Whom It May Concern:

I am writing on behalf of Shot Scope Technologies Ltd to notify you that we intend to file for a Class 2 Permissive Change for the following device:

BLE Module, FCCID 2AHWR-SS02

The purpose of this filing is to permit the BLE module to be used with a new host,

Product name: Shot Scope wristband

FCC ID: 2AHWR-SS01

No hardware changes have been made. Additional testing for radiated emissions from 9kHz to 26GHz and restricted bands have been performed. This has been filed as test report 12083TR2 by our authorised agent York EMC Services.

With regards to FCC Rule 2.1043(c) the Class 2 Permissive change is applicable to units produced after the Class 2 Permissive change is authorised.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read 'DLH', is shown on a light blue background.

David Hunter, CEO
Shot Scope Technologies Ltd
